

*“We take care of commercial kitchens and laundries”*

# Clean Air Systems & Installations Ltd (C.A.S.I.)

Company Introduction to Willis Jenkins

## **Clean Air Systems & Installations Ltd (C.A.S.I.)**

We are focused on helping our clients deliver quality meals in more productive spaces.

Our 25 years industry experience has enabled us to refine our unique skill sets to specialise in every aspect of commercial kitchen and laundry installation.

Our project managers, and skilled installers are dedicated to delivering bespoke kitchen, and laundry solutions - each one thoughtfully tailored to meet the unique needs of our customers.

From minor upgrades and repairs to full-scale turnkey projects, **our reputation is built on the exceptional support we provide at every stage of our client's projects.**

## **Our Mobile Kitchen and Laundry Trailers**

Further complementing our business, we operate a fleet of **temporary commercial kitchen and laundry trailers**. These trailers can be delivered to site to ensure the continuation of our customer’s services while refits are taking place.

## C.A.S.I. Mobile Laundry

## C.A.S.I. Mobile Kitchen

Once on site, our mobile units ensure that meal & laundry services can continue while refits are in progress

Having installed kitchen and laundry solutions in virtually every commercial and light commercial setting, we bring our operational expertise across the below core sectors:

## Core Sectors We Serve

Care Home and Hospital  
Kitchens

Nurseries, Schools, Colleges,  
and University Kitchens

Kitchens for Restaurants, Pubs,  
Hotels and Guest Houses

As an established and trusted UK installer, we believe Clean Air Systems & Installations Ltd is well-positioned to grow as a dedicated provider to Willis Jenkins.

We welcome the opportunity to further support your upcoming projects with our installation services, offering reliable, cost-effective solutions that align with your commitment to deliver high-quality, client-focused projects.

We trust this fresh introduction is of interest, while we would be pleased to explore broadening our support for you in the future.
